FINAL PIECE IDEAS:

TO PROJECT MY JOURNEY I WANTED TO CREATE A MINIMALISTIC POSTER DESIGN BASED AROUND THE LONDON UNDERGROUND MAP DESIGNED BY HARRY BECK.

HE USES A DIFFERENT COLOUR FOR A DIFFERENT ROUTE TAKEN MAKING THE PLANNING OF THE ROUTE AND MAKING IT AS SIMPLE AS POSSIBLE FOR THE VIEWER.

USING THE SAME COLOUR PALET BUT INSTEAD OF LOCATIONS IN LONDON I WILL USE LOCATIONS I HAVE BEEN TO AROUND THE UK.

// JOURNEY

These are some of the journeys I have travelled from my hometown of Darwen, Lancashire. I used the design layout of the London underground map to create a minimalist poster to create and abstract look to desired destinations and paths taken. The spectrum of colours off the spectrum are used to represent a different journey that I have embarked on from my hometown.

Blackburn - Blackpool - Birmingham - Bolton [Cornwall] - Darwen - Fleetwood - Kendal - Leeds - Liverpool - London - Manchester - Preston - Southampton - Southport
